Sponsorship Application Pack

TADPAI is focused on developing the Tarago community and facilities, including assisting where possible development of business in the Tarago area

TADPAI is the managing organisation for the Tarago Hall, a community facility, and manages the TARAGO.ORG.AU website.

These activities require ongoing funding.

The TARAGO.ORG.AU website is a community developed resource to allow site visitors to view a wide range of information about Tarago and the community organisations who contribute to community development

Sponsorship of the TARAGO.ORG.AU website enables local businesses and local business owners to contribute to the development of the community by providing sponsorship to TADPAI.
